

# VCU Discrete Mathematics Seminar

## *Mathematical pop-ups*

**Prof Richard Hammack  
(VCU!)**

Wednesday, Feb. 14  
1:00-1:50 EST

**In person** in 4145 Harris Hall, and on Zoom @  
<https://vcu.zoom.us/j/92975799914>  
password=graphs2357

I describe, explain, and demonstrate some of my recent mathematical pop-up card constructions. I am especially interested in creating pop-ups that unfold into three-dimensional projections of higher-dimensional objects.

For the DM seminar schedule, see:
